DMOTC AGILITY COURSE TEST (ACT) on Saturday, March 22, 2025 at 10:00am.

Other Important Information to Know:

All dogs must be on a short leash in the building (no flexis) and/or securely crated when not in the ring. At the handler's option, dogs may run a course with or without an approved collar. The only collars allowed when running a course are flat buckle or rolled leather collars, with no attachments (tags or other) allowed. The allowable collars are noted in the "Regulations for Agility" in Chapter 4, Section 9.

Bring a crate and a mat or sheet to go under it, so your dog has a place to relax while you walk the courses (dogs are not allowed on the course during walk-thru). If you don't have a crate, please bring someone with you to hold your dog. Bring a copy of your AKC registration if you have one. Please also have your dog's rabies certificate with you. We will not ask you for it, but if we need to see it, you need to have it available.

All dogs fifteen (15) months of age or older may enter provided they have not earned any AKC Agility Titles. Dogs must be physically sound as described in Chapter 1, Section 3 of the Regulations for Agility Trials.

In order to acquire title certificates and have the titles added to a dog's record, the dog must be registered/listed with the AKC. Canine Partner applications may be accepted at the test by the judge/evaluator and submitted with test results. Dogs that are not AKC registered/listed may participate, and their performances will be recorded by the AKC under a temporary recording number. This temporary recording number will be e-mailed to the owner and must be used when entering subsequent ACT events and when the owner registers/lists the dog. (Note: Temporary recording numbers may only be used to enter ACT events.) Details on alternative registration can be found here: <https://www.akc.org/register/dog/>.

A dog must receive two qualifying scores in ACT1/ACT1J to receive either of the ACT1 titles, and two qualifying scores in ACT2/ACT2J to receive either of the ACT2 titles. A dog does not need to have any ACT1 titles in order to compete in ACT2. If your dog already has an ACT1/ACT1J title, you may continue to enter and run in ACT1/ACT1J with that dog until such time as that dog has obtained one leg in ACT2/ACT2J, thus making your dog ineligible for ACT1/ACT1J any longer. Once you have an ACT 2/ACT2J title (if you skipped Act1) you may not go back and enter ACT1/ACT1J. You can show in ACT2 and ACT2J until your dog has obtained a title in any AKC AG class.

All applicable rules and regulations in "Regulations for Agility Trials" will govern the conduct of ACT events. They will apply to any person and dog entered. It is the sole responsibility of the exhibitor to have read and to understand the rules before entering. For more information, see: <https://images.akc.org/pdf/rulebooks/REAGIL.pdf>
